

Life Saving Award  
Officer Jeff Beauregard  
Officer Meuy Saetern

On September 22, 2011, the Plantation Police Department Communications Center received a call reference a traffic crash at Nob Hill Road and West Broward Blvd. Officer Beauregard arrived on the scene and found a vehicle against the wall on the southeast side of the intersection. The driver was unresponsive and not breathing. Later investigation revealed the driver had suffered cardiac arrest.

Officer Beauregard realized the driver was experiencing a serious medical emergency so he removed the man from the car and immediately began cardiopulmonary resuscitation (CPR) which he continued until Officer Saetern arrived on the scene and assisted. Their team CPR effort continued until Plantation Fire Rescue paramedics arrived on the scene. The driver was transported to Westside Regional medical Center where he survived and is doing well.

The actions of Officer Beauregard and Officer Saetern were directly responsible for saving the man's life. The actions of these officers reflect great credit upon themselves and the Plantation Police Department.
